

Ordinary birthday cake not cutting it this year?

Forget about that square of dry vanilla sponge with a smear of strawberry jam...

Undress this little minx and sink into thick, velvety butter icing with a light, melt-in-your-mouth chocolaty sponge.

Give your senses a little taste of heaven.

THE EXQUISITE CAKE COMPANY

Bristol based Baker, Abby Warn, is mixing up the cake industry with these scrumptious cupcakes. Perfect for a celebration, or as a sneaky individual treat, avoid portion cutting at your next party and serve a cake with a twist. Quirky flavours include Jammy Dodger, Lemon Drop, Chocolate Orange, Banana and Toffee Cream, Lavender and Red Velvet. All made fresh with local ingredients by Abby's fair hands.

Add some decadence to your event.
