

# Valentine - on a plate!

**O**f course Valentine's day is the day for lovers and there are lots of ways to make the occasion special for that certain someone. Thankfully, Bristol is one of Britain's best destinations for weekend and city breaks, there are many great hotels and restaurants, so planning a great time together should be easy.

Located in the city centre, is the luxury Grand Hotel (formerly known as Thistle Bristol) and its central location is ideal for visiting the city.

The four-star hotel has full leisure facilities including indoor swimming pool and beauty suites, there is a restaurant and onsite car parking.

The hotel is offering a Valentine's special on Saturday, February 13 which will include a romantic dinner for two in the hotel's candlelit restaurant for £25 per person.

To book please call 0117 930 3321, or visit Broad Street, Broad Street, Bristol, BS1 2EL.

The Exquisite Cake Company specialises in fabulous hand-made cupcakes for every occasion.

The company uses locally sourced high quality ingredients for great tasting cakes.

The Exquisite Cake Company don't use chemicals, preservatives or artificial flavours in its cakes and it only ever uses real farm butter in its butter icing.

Find its stall at

farmers' markets in Nailsea, Weston and Clevedon where you can buy individual cakes in

ever-changing flavours, including red velvet with sweet cream cheese frosting, death by chocolate with chocolate ganache and organic lavender with lavender milk icing.

For more than one cupcake try ordering your own box, delivered directly to your home or office, or make someone very happy with a surprise delivery of cakes in their favourite flavour.

For special occasions such as weddings, birthdays, Valentine's Day and christenings add a unique centre piece with a seven tiered tower of cupcakes in a variety of flavours, colours and toppings.

If you fancy having a go yourself then go along to one of its workshops on cupcake decorating and learn the skills of piping, sugar craft and decoration and jazz your next tea party up with your own home-made cupcakes.

The company runs workshops on cake decorating, bakery and cookery for adults and children in its Wraxall-based kitchen.

For more information call Abby Warn, who set the company up, on 07974 000 001.
